Make your gift worth a quarter more!

If you are donating as an individual Gift Aid could make your donations worth even more. For every £1 that you give us, we can get an extra 25p from the Inland revenue so please complete and sign the section below. I would like all donations I have made to InterHealth and all future donations to qualify for Gift Aid.

I am a UK taxpayer and want InterHealth to claim tax on any donations that I have made in the last four years, or from all donations I make in the future. I understand that I must pay an amount of income Tax and/ or Capital Gains Tax for each tax year (6 April one year to 5 April the next) this is at least equal to the amount of tax that InterHealth will reclaim on my gifts for that tax year. I will tell InterHealth if I am no longer a taxpayer.

Name: _____ Date: _____

Signature: _____

The tax reclaimed will be used to fund the support of mission workers across Africa.
