

Intern Recruitment

InterHealth is delighted to announce a selection of exciting internships in a variety of different areas within the charity.

This is a fantastic opportunity to join InterHealth and gain new skills and experience with an organisation providing healthcare and support to many of the major international agencies involved in humanitarian relief and poverty reduction across the world. With over 200 client organisations, InterHealth is an exciting place to work and learn about a number of different sectors including relief and development, gap and expedition and occupational health. During the internship you will be given training and support to ensure your personal development.

We are looking for enthusiastic and committed individuals with excellent interpersonal skills. You need to be able to work under your own initiative but also be a team player who can adapt to any given situation. You should be passionate about working within the charity sector and have sympathy with InterHealth's values.

We are continuously recruiting for these roles although there will be on intake in October 2010. The internships are all part-time roles, for a duration of 6 months and the days worked will be agreed upon appointment. You will be reimbursed for any expenses (lunch and London travel).

Please see the individual job descriptions and person specifications of the internships available and if you are interested in any of these positions, please do register your details with us.

How to apply

Please send a CV and covering letter giving details of your skills, experience and suitability for the role to Julie Westin on jobs@interhealth.org.uk. Applications without a covering letter will not be considered.

Please include in your application responses to the questions below:

1. Which of your experiences so far have best equipped you for a role like this and how?
2. Why are you enthusiastic about working for InterHealth/CHGN/gapadvice.org?
3. Please explain your passion for and commitment to work in the charity sector and how this has influenced your application to this role.

For further information or any other queries, please contact Julie Westin on 020 7902 9017 or julie.westin@interhealth.org.uk

We look forward to hearing from you!
